The diagram illustrates the relationship between three source files in a project. At the top is a header file, 'ocra-wbi-plugins/ocra-icub-server/include/ocra-icub-server/Module.h', which is highlighted with a gray background. Below it are two source files: 'ocra-wbi-plugins/ocra-icub-server/src/main.cpp' on the left and 'ocra-wbi-plugins/ocra-icub-server/src/Module.cpp' on the right. Blue arrows point from each of these source files up to the header file, indicating that both source files include the header.
